OJT Trainees – Industrial Services Team

Are you passionate about working in the glass and ceramics sector? Join **CDGI, Firozabad**, a premier national centre dedicated to the advancement of the glass industry, and gain hands-on training and practical exposure to industrial services and technical projects.

Position: OJT Trainee – Industrial Services Team

Vacancy: 02 (Two)

Location: CDGI, Firozabad, Uttar Pradesh

Duration: 11 Months

Remuneration/Stipend: As per norms

Eligibility Criteria

- **Educational Qualification:** 03-year Diploma in **Glass Engineering / Ceramic Engineering** or other relevant technical discipline from a recognized institute.
- **Year of Passing:** Candidates who have passed their qualifying Diploma during the academic sessions **2024-25 or 2025-26 only**.
- **Experience:** Fresh Diploma pass-out candidates will be preferred.

Key Responsibilities

- Participate in **on-site industrial assignments and field activities** related to the glass/ceramic industry.
- Daily visit to approximately **7–8 industries** for routine monitoring of **furnace operating parameters and flue gas analysis** to ensure smooth furnace operation.
- Assist in **product evaluation, failure analysis and process-related activities** as required.
- Assist in identifying and **rectifying operational issues** in running furnaces in consultation with the industry and CDGI technical teams.
- Support **Industrial Services and laboratory/field technical activities** as assigned.
- Assist in preparation of **technical observations, monitoring records, service reports and documentation**.
- Assist in **furnace operation, combustion control and process optimization** activities.

- Undertake any other work related to **furnace operation, combustion control and Industrial Services** as assigned.
- Follow prescribed industrial safety practices and instructions during field and industrial assignments.

Desirable Skills

- Basic knowledge of glass manufacturing processes.
- Basic familiarity with laboratory equipment and technical testing practices.
- Awareness of industrial safety practices.
- Good communication and teamwork skills.
- Willingness to undertake field and industrial assignments.

Nature of Engagement

The engagement shall be purely on **OJT/Training basis** for a fixed period of **11 months**. The engagement is temporary in nature and shall not confer any right or claim for regular appointment or continuation in CDGI. It can be further extendable as per the performance and need of the centre.

How to Apply

Interested eligible candidates may send their updated resume along with relevant educational documents to cdgifzbd@gmail.com with the subject line:

“Application for OJT Trainee – Industrial Services Team”

Candidates may also submit the application in hard copy in an envelope superscribed:
